Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-18, and 31-29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The claims not specifically mentioned are indefinite since they depended from one of the above claims.

Allowable Subject Matter

3. Claims 21-29 are allowed.

Response to Arguments

4. Applicant's arguments filed on November 10, 2005 have been fully considered but they are not completely persuasive. **Claims 1-18, 21-29, and 31-39 are pending.**

On page 16, Applicants have amended the claims to satisfy the Office Action's request for clearer terminology.

Examiner disagrees with Applicants' arguments because Applicants only amended claims contain double recitations, terms that lack antecedent basis. Applicants have not amended the claims, as being indefinite, for example:

Claim 1, line 6; and claim 31, line 7, "an algorithm of estimation..." is indefinite.

Claims 2-18, and 32-39 not specifically mentioned are indefinite since they depended from claims 1, and 31.

On the other hand, claims 1, and 31 are not computer readable medium but they are included the "algorithm of estimation..." which defines structural and functional interrelationships between the computer program and the rest of the computer, which permit the computer program's functionality to be realized, claims 1, and 31 are also rejected under 35 U.S.C. 101.

Conclusion

4. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
